

A photograph of a winter landscape. In the foreground, a snow-covered slope leads up towards the right. Several evergreen trees are heavily laden with snow. The sun is setting behind the trees on the right, creating a bright glow and lens flare effects. The sky is a mix of blue and orange, with some clouds. The overall scene is peaceful and serene.

The Kingdom

Small Groups

• get connected •

Many people have wondered why should I be involved in a small group? There are many reasons why SBC is committed to small groups (growth groups, study groups, ministry groups). We are able...

- to share and do life together
- to study scripture together
- to discuss life issues together
- to know what needs there are
- to grow in our faith together
- to minister to others
- to have fun together

Are you missing out? There are new groups starting up in February. Visit The Hub for information or go to summerlandbaptist.ca and click on the Connect tab and scroll down to Small Groups to sign up.

EMERGENCY FREEZER MEALS:

Ready made frozen meals are available to fill a sudden or emergency need. Are you going through a time of need, or do you know someone else who could use a nutritional boost?
